

THINK BIG PICTURE WITH PUBLIC HEALTH MEDICINE

APPLICATIONS TO THE NZCPHM TRAINING PROGRAMME CLOSE 16 JUNE

Reasons to choose the New Zealand College of Public Health Medicine Training Programme:

- 1. Diverse and interesting**
Great opportunity to get involved in addressing the wide range of health issues affecting our population. Ability to act on the upstream causes of ill health. Multiple career options, particularly in health sector leadership.
- 2. Further your education**
Trainees are fully funded through a Master of Public Health degree
- 3. Flexibility**
Training positions available across New Zealand. International placements and flexible training possible.
- 4. Boutique, modern training programme**
Competency based training programme with a limited number of trainees. You are an individual, people know your name.
- 5. Commitment to the Treaty of Waitangi and improving Māori health**
Training programme designed to prepare trainees
