Section 3: Cover:

Other Resident and Specialist Cover

There are 14 General Medicine House Officers and 1 Night Reliever which contribute to the General Medicine Roster.

Each week there will be four admitting teams. In general the Registrar and House Officer for an admitting team will spend two weeks with their team working on the acute floor. This will include the admission of patients, post acutes and rounding on the patients on level 2.

The House Officer and Registrar will then rotate to the wards for four weeks, during which time they will admit patients to the ward, complete a daily ward round (with the exception of weekends, unless otherwise rostered) and all other ward work as required.

There is a consistent workload Monday to Friday (ordinary hours) for 12 House Officers and daily staffing numbers will be maintained at this level. Only where numbers fall below that level will cover or additional remuneration be provided.

Each weekday morning following an admission period, patients remaining in ED, APU or on APU overflow ward will remain the responsibility of the acute team.

All patients otherwise admitted to the medical wards or the outlying non-medical wards will become the responsibility of the ward teams as assigned at handover.

Weekday overnight patients will be allocated to teams at morning handover

Weekend overnight patients will be distributed to the admitting teams of the day before.

In the evenings (1600-2230) the **AL** call house officer will cover APU/ED and admitting and the **WL** call House Officer will cover the General Medical wards.

General Medicine House Officers will be required to work night duties .At night (2200-0800) the House officer will work as a member of the after hours team covering General Medicine, Medical Subspecialties, Older People's Health and Mental Health (this includes Te Whetu Tawera, Child Family and Fraser McDonald units).House officers will work one or more periods of nights during the run in separate periods of 3 and 4 nights. There will be a handover meeting at 2200 in the Handover room at APU for all House officers who are rostered to a long day or night shift duty.

House Officers will be assigned a home team and supervisor, however are allocated to the Medicine service as a whole, with workload reviewed daily and shared across the House Officer positions. In distributing the workload both patient safety and the safety and experience of the RMO will be considered, with the intent to smooth patient load and avoid excess work load for individuals.

For example; If a General Medicine House Officer has a minimal patient load, with minimal tasks to complete on a given day, they may be required to assist another General Medicine team who is at capacity or another Medical service. This will not remove for cross cover payments where relevant situations exist.

Section 4: Performance appraisal

<i>House Officer</i>	<i>Service</i>
<p><i>The House Officer will:</i></p> <ul style="list-style-type: none"> At the outset of the run meet with their designated consultant to discuss goals and expectations for the run, review and assessment times, and one on one teaching time After any assessment that identifies deficiencies, implement a corrective plan of action in consultation with their Consultant; 	<p><i>The service will provide,</i></p> <ul style="list-style-type: none"> An initial meeting between the Consultant and House Officer to discuss goals and expectations for the run, review and assessment times, and one on one teaching time. An interim assessment report on the House Officer six weeks into the run, after discussion between the Registrar and the Consultant responsible for them; The opportunity to discuss any deficiencies identified during the attachment. The Consultant responsible for the House Officer will bring these to the House Officers attention, and discuss and implement a plan of action to correct them; A final assessment report on the House Officer at the end of the run, a copy of which is to be sighted and signed by the House Officer For PGY1 and PGY2 House Officers, end of run meetings and assessments will be documented electronically via e-port.
