POSITION:	House Officer - Home & Older Adults' Service (OAHH)
DEPARTMENT:	Assessment, Treatment and Rehabilitation Inpatient Service (AT&R)
PLACE OF WORK:	Waitakere Hospital
RESPONSIBLE TO:	Service Manager, AT&R Service through the Clinical Director/Geriatrician
FUNCTIONAL RELATIONSHIPS:	Patients and family/whanau, hospital and community based health care workers
PRIMARY OBJECTIVE:	To facilitate the care of patients under the care of Older Adults and Home Health Service (OAHH)
RUN RECOGNITION:	This clinical attachment is accredited by the New Zealand Medical Council for Prevocational Training
RUN PERIOD:	3 months

Section 1: House Officer's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties & Work Schedule	<ul style="list-style-type: none"> • Under the supervision of the Geriatrician and the Registrar, facilitate the management of patients under the Care of the Older Adults and Home Health Service (OAHH) (OAHH). • Undertake daily ward rounds either as the primary doctor or with a registrar or Consultant according to the ward roster. Write progress notes on patients reflecting the assessment and management plan decided on during the ward round. • Keep patients informed of their progress. Answer as able any questions relating to their diagnosis and management and explain any procedures (or refer these questions to the Registrar or Geriatrician if needed). • With permission of the patient, liaise with relatives, and answer questions relevant to the patient's illness, or refer these to the Registrar or Geriatrician. • Admit, assess, and arrange investigations for acute and elective admissions to the ward. • Keep the Registrar and/or the team Geriatrician informed of problems as they arise in the ward (or wherever else the House Officer may be caring for patients). • Attend patients under their care, at the request of nursing staff • Undertake rostered after hours duties in the AT&R and acute medical wards, Waitakere Hospital. • Undertake such other duties as may be required from time to time by the Clinical Director, Older Adults and Home Health Service (OAHH). • Attend weekly multidisciplinary ward conference(s). Liaise as needed with other members of the multidisciplinary team to ensure a smooth and coordinated process

<i>Area</i>	<i>Responsibilities</i>
	<p>of care.</p> <ul style="list-style-type: none"> • Attend family conferences of patients under care, as arranged at multidisciplinary team meetings. • Attend to additional matters required for patient care such as completing death certificates and preparing discharge letters (see below in more detail). • Sight and accept all laboratory and radiology results for team patients on a regular daily basis. Discuss significantly abnormal or unfamiliar results with seniors. • In the event of the pressure of other duties leading to difficulty completing assigned duties, notify the Registrar or Geriatrician of this. • Ask for advice or assistance from senior medical staff when not certain what to do.
Administration	<ul style="list-style-type: none"> • Maintain a high standard of documentation in the files of patients. All clinical notes are to be signed, with a printed name and contact number legibly recorded; • Be responsible for certifying death and complete appropriate documentation; • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ol style="list-style-type: none"> 1. "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." 2. "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so. • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or Duty Manager directly as well as the Consultant to which the registrar is clinically responsible in the absent duty. • As an RMO working at WDHB you will be provided with a Concerto login and a WDHB email account which will be used for all work related communication. It is your responsibility to ensure you check this regularly.

Section 2: Training and Education

<i>Nature</i>	<i>Details</i>
Protected Time	<p>Professional development of a House Officers skills and knowledge should occur during the run. All House Officers must attend their departmental meetings. The House Officer will attend the following weekly teaching (unless attendance is required for acute admitting or a medical emergency):</p> <ul style="list-style-type: none"> • HO Teaching Programme: Thursday 1230 to 1430 hours, Conference Room 1, NSH and Kawakawa Room WTH (unless advertised otherwise). This is protected teaching time with the handing in of the pagers for monitoring by the Team Leader Medical Education Training Unit. Any urgent messages will be redirected to the team registrar. • Practical Skills Training- Monday 1200-1400 hours, Seminar Room 1, Learning and Development, NSH (unless advertised otherwise).
