

RUN DESCRIPTION

POSITION:	Surgical Registrar
DEPARTMENT:	Paediatric General Surgery
PLACE OF WORK:	Starship Hospital/Surgical Outreach Clinics
RESPONSIBLE TO:	Clinical Director and Service Manager of Paediatric General Surgery through a nominated Consultant Surgeon.
FUNCTIONAL RELATIONSHIPS:	Healthcare consumers and hospital based healthcare workers
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of Paediatric Surgical Services
RUN RECOGNITION:	This run is recognised by the Royal Australasian College of Surgeons as a training position for specialist qualification of basic surgical training.
RUN PERIOD:	6 months

Section 1: Registrar's Responsibilities

Area	Responsibilities			
General	Assess surgical and trauma patients in the Children's Emergency Department.			
	 Assess patients admitted to the department of Surgery, particularly those requiring operative management. Undertake clinical responsibilities as directed by the consultant and organise relevant investigations, ensure the results are followed up, sighted and signed. 			
	 Assess patients prior to surgery, ensuring that adequate examination has been undertaken that this has been adequately documented and that appropriate investigations have been performed. 			
	Attend operating theatre either performing the surgery alone or in attendance with a Consultant Surgeon, or assisting or teaching Surgical Registrars or House Surgeons.			
	Liase with House Surgeons and ensure that they are performing their duties to a required standard and are receiving adequate assistance.			
	 Attend patient handovers as appropriate particularly early morning and at end of long day shift. Also attend team and departmental meetings as required. 			
	Maintain a high standard of communication with patients, families, and staff about			

patients' illnesses and treatment. Inform consultants of the status of patients, especially if there is an unexpected event of the status of patients, especially if there is an unexpected event other units within Auckland hospital when required by the attached roster. Ward Review Review patients in other wards when required by attached roster. When On Call, be available within hospital to attend calls as soon as possible. Provide advice to and liaise with GP's and other hospital medical staff on surgical matters; Authorise patients to be transferred to and be seen by to the service when appropriate. Liaise with Consultant and the Senior Registrar as required When allocated ward duties within the service undertake regular examination management of, and updating of management plan of admitted patients for whom the service is responsible on a frequency agreed with the Clinical Director. Ensure images are available for ward rounds and inspection at other times as required. Ensure nelevant documents, e.g. discharge summary, including follow-up arrangements are despatched in a timely fashion as agreed by the Clinical Director. Ensure management plans for patients are appropriately documented. Arrange for appropriate cover of Team's patient when not on-call for evening and weekend by satisfactory handovers with other registrars. Outpatients Assess and manage patients referred to outpatient clinics with appropriate support from senior registrar and consultant as required. Communicate with referring person following patient attendance at clinics. A letter to the patient's General Practitioner must be dictated after each outpatient visit. Administration Keep adequate and legible records and whenever changes are made to patient management. Such entries must always be signed and dated with a notation of the time of day. Discharge summaries, discharge coding, and audit forms must be completed within two days of discharge. Preferably these will be completed by the day of discharge.	Area	Responsibilities		
Admitting Assess and admit surgical patients referred by ED or from the community or from other units within Auckland hospital when required by the attached roster. Review patients in other wards when required by attached roster. When On Call, be available within hospital to attend calls as soon as possible. Provide advice to and liaise with GP's and other hospital medical staff on surgical matters; Authorise patients to be transferred to and be seen by to the service when appropriate. Complete death certificates for patients who have been under the Registrar's care. This may be delegated to a House Officer				

Area	Responsibilities	
	Obtain informed consent for procedures within the framework of the Medical Council guidelines which state:	
	 "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so 	

Section 2: Weekly Schedule

Weekly Schedule

Each registrar will attend elective operating sessions and outpatient clinics with their consultant, and attend acute operating cases as under the direction and supervision of the senior registrar and consultant.

Section 3: Training and Education

Nature	Details	
Protected Time	The following educational activities will be regarded as part of normal duties (unless attendance is required for other duties as per roster)	
	Orientation at the beginning of the run
