PLACE OF WORK:	Auckland and Starship Hospital	
RESPONSIBLE TO:	Clinical Director, Surgical Director and consultant surgeons.	
	·	
FUNCTIONAL RELATIONSHIPS:	Healthcare consumers and hospital based healthcare workers	
	·	
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of Paediatric and Congenital Cardiac Surgical Services	
RUN RECOGNITION:	This run is recognised by the Royal Australasian College of Surgeons as a training position for specialist qualification of basic surgical training.	
RUN PERIOD:	12 Months	

Section 1: Registrar's Responsibilities

Area	Responsibilities	
General	 To assist in providing paediatric cardiac surgical services of an international standard. 	
	 To assist in providing adult congenital and other subspecialty services. 	
	 Assess surgical patients in the Children's Emergency Department. 	
	• Assess patients admitted to the department of Cardiac Surgery, particularly those requiring operative management. Undertake clinical responsibilities as directed by the consultant and organise relevant investigations, ensure the	

Area	Responsibilities	
	results are followed up, sighted and signed.	
	• Assess patients prior to surgery, ensuring that adequate examination has been undertaken that this has been adequately documented and that appropriate investigations have been performed.	
	• Attend operating theatre as assistant, perform parts of surgery with the consultant surgeon in attendance.	
	• Liase with House Surgeons and ensure that they are performing their duties to a required standard and are receiving adequate assistance.	
	• Attend patient handovers as appropriate from theatre to the paediatric intensive care unit (PICU) and from PICU to Ward 23B. Also attend team and departmental meetings as required.	
	• Maintain a high standard of communication with patients, families, and staff about patients' illnesses and treatment.	
	• Inform consultants of the status of patients, especially if there is an unexpected event	
Quality Focus	• To demonstrate a commitment to continuing education in paediatric cardiac surgery	
	• To participate in research approved by the Chief Surgeon of the Paediatric and Congenital Cardiac Service and co-ordinated by the Paediatric and Congenital Cardiac Service research group.	
Education	• To provide teaching during clinical sessions for paediatric, and intensive care trainees rotating through the unit, for medical students and during non-clinical sessions for ancillary staff and other specialities.	
Ward Review	Review patients in other wards when required by attached roster.	
On-Call	• When On Call, be available within hospital to attend calls as soon as possible.	
	• Provide advice to and liaise with GP's and other hospital medical staff on surgical matters;	
	• Authorise patients to be transferred to and be seen by to the service when appropriate.	
	Liaise with Consultant and the Senior Registrar closely.	
Inpatients	• When allocated ward duties within the service (adult patients) undertake regular examination management of, and updating of management plan of admitted patients for whom the service is responsible on a frequency agreed with the Clinical Director.	
	Ensure relevant documents, e.g. discharge summary, including follow-up	

Responsibilities	
arrangements are despatched in a timely fashion as agreed by the Clinical Director.	
• Ensure management plans for patients are appropriately documented.	
 Arrange for appropriate cover of Team's patient when not on-call for evening and weekend by satisfactory handovers with other registrars. 	
• Assess and manage patients referred to outpatient clinics with appropriate support from senior registrar and consultant as required.	
 Communicate with referring person following patient attendance at clinics. A letter to the patient's General Practitioner must be dictated after each outpatient visit. 	
 Keep adequate and legible records in accordance with hospital requirements and good medical practice, including discharge summaries. Make daily entries to Clinical Records and whenever changes are made to patient management. Such entries must always be signed and dated with a notation of the time of day. At the direction of the Clinical Director, assist with operational research in order to enhance the performance of the Service. Attendance at departmental meetings. Communication with staff of the Paediatric and Congenital cardiac Service, support staff, patients and patients' families and other health professionals is timely, clear and with an appropriate manner.

Section 4: Cover

Cover

- Registrars will take call on a rotating basis resulting in schedule of one week/weekend in four. Oncall responsibilities include the acute peri-operative management of paediatric cardiac surgical patients in combination with the on-duty cardiology and intensive care service, preoperative evaluation of upcoming surgical cases, and gathering of information and pertinent data concerning potential surgical candidates.
- Given the complexity of acute patients requiring admission to a paediatric cardiac surgical service it is the expectation that registrars will be fully and closely supported by consultant staff in decision making and management.

Section 5: Performance appraisal

Registrar	Service	
The Registrar will:	The service will provide,	
• At the outset of the run meet with their designated consultant to discuss goals and expectations for the run, review and assessment times, and teaching.	• An initial meeting between the Consultant and Registrar to discuss goals and expectations for the run, review and assessment times, and teaching.	
• After any assessment that identifies deficiencies, implement a corrective plan of action in consultation with their Consultant;	 An interim assessment of the Registrar three (3) months into the run, after discussion between the Registrar and the Consultant responsible for them; 	
	• The opportunity to discuss any deficiencies identified during the attachment. The Consultant responsible for the Registrar will bring these to the Registrar's attention, and discuss and implement a plan of action to correct them;	
	• A final assessment report on the Registrar at the end of the run, a copy of which is to be sighted and signed by the Registrar.
