### Section 3: Roster

#### *Roster*

There are currently 18 Registrars employed in EC. Duties are of a "shift" nature and shifts are allocated according to a standard pattern which repeats every six weeks. This roster includes one relieving week in each six week period during which the relieving Registrar covers the shifts for the Registrar taking leave.

Ordinary hours of work are 00h00 to 24h00 every day (7 days per week). There is no call-out.

Standard shifts are :

Day	0800 - 1800
Afternoon	1600 - 0100
Night	2230 - 0830
Evening	1800 – 0200

Routine duties will be scheduled at least one month in advance, and the roster will be compiled by the Clinical Operations Analyst in consultation with the Clinical Head.

### Section 4: Cover

#### *Other Resident and Specialist Cover*

Annual leave, study leave and any other planned leave will be covered within the department by the "Relieving Registrars" as part of their rostered duties, the Reliever taking over the set shifts for the Registrar who is taking leave. If no-one has requested leave. All roster changes /swaps must be documented on a "change of duty form and given to the Clinical Operations Analyst who will change the master roster.

### Section 5: Performance appraisal

#### *Service*

*The service will provide:*

Performance will be assessed by the senior medical staff in the Department. If deficiencies are identified during the run, the consultant to whom the Registrar is responsible will bring these to the Registrar's attention, and will discuss how they may be corrected.
