

RUN DESCRIPTION

POSITION:	House Officer
DEPARTMENT:	Children's Emergency Department (CED)
PLACE OF WORK:	Starship Children's Hospital
RESPONSIBLE TO:	Clinical Director and Manager of Children's Emergency Department, through a nominated Consultant.
FUNCTIONAL RELATIONSHIPS:	Healthcare consumer, Hospital and community based healthcare workers
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of the Paediatric Emergency Service.
RUN RECOGNITION:	Recognised as Category B for the purposes of registration by the Medical Council of New Zealand
RUN PERIOD:	3 months

Section 1: House Officer's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
General	<ul style="list-style-type: none"> The HO is part of the CED team along with the Registrars and Consultants, and assessment and management is in consultation with more senior colleagues. The Emergency HO is responsible for initial assessment and emergency management of children presenting to CED. This includes self presentations, referrals and transfers from other emergency departments. The HO is responsible for definitive management of patients and their disposition, which involves either referral to an inpatient or outpatient team, or arrangement of follow-up by an appropriate primary caregiver. The HO must communicate with patients and their families about their concerns and facilitate their understanding of the medical issues involved. Legible notes are to be written in patients charts. Entries must be dated, signed, and have a legible printed name accompanying the signature. On discharge the HO must ensure appropriate follow up is in place, including written information where appropriate. A written discharge will be completed before the patient leaves the department and a copy given to the caregiver of the child and forwarded to the appropriate health professionals including the family doctor. The HO is also responsible for clinical and telephone review of children they have

<i>Area</i>	<i>Responsibilities</i>
	<p>assessed previously in CED who have ongoing follow-up arranged within CED.</p> <ul style="list-style-type: none"> • The HO will assist the Registrar in checking results of laboratory and radiological investigations and arranging appropriate follow-up of abnormal results. • The HO must liaise with other staff members, departments, and health professionals in the management of patients. <p>All of the above duties will be in conjunction with the registrars and the consultant responsible for the department during the shift. Where appropriate the HO must seek advice and assistance from the registrar or consultant, including help with practical procedures.</p>
