

RUN DESCRIPTION

POSITION:	House Officer	
DEPARTMENT:	General Surgery, and Vascular Surgery	
PLACE OF WORK:	Auckland City Hospital, Greenlane Clinical Centre and Greenlane Surgical Unit	
RESPONSIBLE TO:	Clinical Directors and Service Managers of General Surgery and Vascular Surgery, through a nominated Consultant.	
FUNCTIONAL RELATIONSHIPS:	Healthcare consumer, Hospital and community based healthcare workers	
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of the Departments of General and Vascular Surgery.	
RUN RECOGNITION:	This clinical attachement is accrediated by the New Zealand Medical Council for prevocational training.	
RUN PERIOD:	13 weeks	

Section 1: House Officer's Responsibilities

Area	Responsibilities
• Clinical Duties	The House Officer will assess all acute, elective and "transfer" admissions to the service by taking a history, performing a physical examination, constructing a problem list and formulating a management plan. This should take place as soon as possible after notification of the arrival of a new patient.
	See assigned patients on a daily basis (Monday to Friday) during rostered hours.
	Attend ward rounds as required by Registrar and/or Consultant.
	Attend Whiteboard rounds to discuss daily patient plan.
	Attend outpatient clinics as rostered or as required.

Area	Responsibilities	
	Participates in weekly Pre-admission clinics as required by the Consultant.	
	 House Officers may be required to attend handover meeting, do ward rounds, admissions, discharges and to provide patient care for those patients admitted to the General Surgery and Acute Surgical Unit. 	
	 Attends and participates in any Multidisciplinary Team Meeting or Radiology Conference scheduled for the surgical team. 	
	 Attend Operating Room as required by Registrar and/or Consultant unless there are conflicting ward or acute tasks. 	
	 Implement treatment of assigned patients (including ordering and following up of any necessary investigations) under the supervision of the Registrar and/or Consultant. 	
	Prescribe medications and fluids as directed by the Registrar and/or Consultant.	
	Follow Departmental or Unit guidelines and protocols that may exist.	
	 Perform required procedures as directed by Registrar and/or Consultant within the limits of training and ability. 	
	Liaise with other staff members, departments and General Practitioners in the management of their patients.	
	 Review patients transferred back from DCCM and provide written documentation of problems and management changes. This should be done as soon as possible after notification of the arrival of the patient in the ward. 	
	 When on call duty outside ordinary hours of work, respond to requests by Nursing Staff and other members of Medical Staff to assess and treat inpatients under the care of other medical teams as detailed in the roster. This will require the House Officer to prioritise tasks. Conflicts in prioritisation can be resolved by discussion with the Duty Manager and Registrar. 	
	Clinical skills, judgement and knowledge are expected to improve during the attachment.	
Other Duties	Attend the Operating Room as required by the Registrar and/or Consultant;	
	Attend Outpatient and pre-admission clinics as required by the Registrar and/or Consultant	
Administration	 Keep adequate and legible records in accordance with the hospital requirements and good medical practice, (daily on weekdays and whenever management changes are made). All entries should be dated, timed and signed with name, title and contact details. 	
	Complete Admission to Discharge planners and Clinical Care Pathways currently used by the surgical team.	
	The use of problem lists, result flowcharts and Weekend Care Plans are encouraged.	
	Appropriate laboratory tests will be requested and results sighted and signed. Abnormal results will be notified to the Registrar and/or Consultant as soon as practicable.	
	Communicate with patients and their families about patients' illness and treatment where appropriate.	
	Liaise with nurses and Allied Health staff regarding investigations, management and discharge.	
	Participate in the Department of Surgery Audit process by assisting the Registrars in completion of the Audit forms.	

Area	Responsibilities
	On discharge, provide patients with an electronic discharge summary and if required, a prescription and follow-up appointment.
	Obtain informed consent for procedures within the framework of the Medical Council guidelines which state:
	"The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed."
	"Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so.

Section 2: Training and Education

Nature	Details	
Protected Time	The following educational activities will be regarded as part of normal duties (unless attendance is required for other duties such as acute admitting or a medical emergency)	
	Orientation Sessions at the start of the run	
	Surgical Grand Round	
	Medical Science Lecture	
	Medical Grand Round	
	Weekly formal RMO in-service teaching sessions	
	Masterclass	
	Monthly M&M Meetings	
	House Officer teaching, Tuesday 1400 to 1700 hours	
	House Officers can expect an introduction by a senior staff member at the start of the run with an outline of expectations. There will be a mid run assessment and an end of run assessment by the Consultant. A report will also be provided to the NRA on completion of the run.	

Section 3: Cover

Other Resident and Specialist Cover

The 4 Vascular House Officers will combine with the 7 General Surgery House Officers and 4 Relievers to provide cover for the General Surgery and Vascular Services.

House Officers will be assigned a home team and supervisor, however are allocated to the Vascular service as a whole, with workload reviewed daily and shared across the House Officer positions. In distributing the workload both patient safety and the safety and experience of the RMO will be considered, with the intent to smooth patient load and avoid excess work load for individuals.

For example; If one Vascular Surgery House Officer has a minimal patient load, with minimal tasks to complete on a given day, they may be required to assist another Vascular Surgery team who is at capacity.

This will not remove the need for cross cover payments where relevant situations exist.

When rostered to work at Auckland City Hospital there will be a Registrar on site at all times and a consultant available by telephone, cell phone or telepage, on call to attend the hospital within 20 minutes.
