Section 1: Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties & Work Schedule	<ul style="list-style-type: none"> • Undertake ward rounds with allocated Consultant/s and attend multi-disciplinary meetings with other health professionals involved with patient management and discharge planning. • Closely monitor medically unstable patients and ensure appropriate handover occurs to the on-call House Officer, Registrar, and Consultant. • Attend family meetings as arranged for patients under care. • Communicate effectively with members of the multi-disciplinary team to ensure optimal patient outcomes and timely discharge. • Communicate regularly with the supervising Consultant to ensure the provision of safe, effective care. • Supervise the duties of the allocated House Officer(s) to ensure that management decisions made about patients are carried out according to best practice principles and guidelines. • Daily liaison with House Officer(s) and to be available for consultation if required.

<i>Area</i>	<i>Responsibilities</i>
	<ul style="list-style-type: none"> • Undertake outpatient clinics. • Undertake domiciliary visits (generally Advanced Trainees only). • Undertake assessments on acute wards as assigned. • Admit patients directly from ED/ADU to the Older Adults wards when requested. • Assist the Orthogeriatrician with pre- and post-operative assessments when requested. • Be available to receive general practice enquiries regarding admissions or management issues involving older people. • Monitor discharge letters produced by the House Officer(s) to ensure they are an accurate and timely record of care. • Ensure clinical notes are written in a problem orientated manner, when patients are assessed and/or management changes made. • Monitor acceptance of patient results by the House Officer(s) to ensure this occurs in a timely and safe manner. • Participate in the weekly educational programme of the Older Adults service and, when required to do so, take responsibility for a presentation. • Presentation to Grand Round if rostered. •
Research	<ul style="list-style-type: none"> • Research opportunities are available in consultation with the Clinical Director and Professor of Geriatric Medicine. Participation in clinical audit is encouraged.

<p>Administration</p>	<ul style="list-style-type: none"> • Maintain a satisfactory standard of documentation in the files of patients. All prescriptions and notes are to be signed, with a printed name and locator number legibly recorded. • Be responsible for certifying death and complete appropriate documentation. • At the direction of the Clinical Director, assist with operational research in order to enhance the performance of the Service. • Dictate letters to General Practitioners following outpatient visits in a timely fashion. • Obtain informed consent for procedures within the framework of the Medical Council guidelines, which state: <ol style="list-style-type: none"> 1. “The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the Consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed.” 2. “Council believes that obtaining informed consent is a skill best learned by the House Officer observing Consultants and experienced Registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so. • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or Duty Manager directly as well as the Consultant to which the Registrar is clinically responsible in the absent duty as soon as possible. • As an RMO working at WDHB you will be provided with a Clinical Portal login and a WDHB email account, which will be used for all work-related communication. It is your responsibility to check this regularly.
------------------------------	--

<i>Area</i>	<i>Responsibilities</i>
Other Duties	<p>After hours duties include cover for the Older Adults Wards at North Shore Hospital shared with the other North Shore Hospital Older Adults Registrars, and participation in the General Medical after-hours roster.</p> <p>On occasion, Registrars may be asked to admit or review acutely unwell patients on the Older Adults ward at Waitakere Hospital on a case-by-case basis on request of the on-call Geriatrician or Clinical Director.</p>

Section 2: Training and Education
