DEPARTMENT:	Respiratory / General Medicine, Medical Services.
PLACE OF WORK:	Counties Manukau District Health Board including Middlemore Hospital and other related sites.
RESPONSIBLE TO:	Service Manager and Clinical Director through their supervising Consultant(s) and the Clinical Head.
FUNCTIONAL RELATIONSHIPS:	Health care consumers. Hospital and community based health care workers.
PRIMARY OBJECTIVE:	To facilitate the safe and effective management of inpatients under the care of Department of Medicine (and Respiratory Medicine subspecialty).
RUN RECOGNITION:	This clinical attachment is accredited by the New Zealand Medical Council for Prevocational Training.
RUN PERIOD:	13 weeks

Section 1: House Officer's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties	<ul style="list-style-type: none"> The House Officer will attend acute and elective admissions to the Department, construct a problem list and request basic investigations. The House Officer will attend ward rounds and will actively participate in the management of patients, following Consultant and Registrar advice and when neither of these is available on site seeing patients and seeking assistance as appropriate. The House Officer is expected to liaise with the other health professionals in the unit to ensure the required level of coordinated care to patients. This may include meeting each morning with the Charge Nurse of their unit. House Officers are expected to ensure their patients are safely and efficiently handed over. The House Officer will maintain a high standard of communication with patients, patients' families and staff. The House Officer will confer at all times with other clinical team members regarding discharge planning and progress of patients. The House Officer will work with Registrars to admit both General Medicine patients and Subspecialty patients (Respiratory) to the ward when rostered on call. The House Officer is also expected to perform ward calls on patients in their ward if on for General Medicine but across 3 wards if on call in the evening with the Subspecialty Registrar.
	<ul style="list-style-type: none"> Clinical skills, judgement and knowledge are expected to improve during the attachment.

Area	Responsibilities
	<ul style="list-style-type: none"> • CMDHB Clinical Board policies are to be followed at all times.
Administration	<ul style="list-style-type: none"> • Legible notes will be written in patient charts on assessment / admission, daily on weekdays, on Consultant ward rounds and whenever management changes are made. All documentation should comply with CMDHB Clinical Board documentation policy. • All instructions (including drugs, IV fluids and instructions for nursing) will be accurately and legibly recorded and legibly signed. • Appropriate laboratory tests will be requested and results sighted and signed, and reported to the Registrar and/or Consultant if abnormal. A list will be prepared for the Radiology Department 24 hours in advance of the weekly team x-ray conference. Referrals will be made at the Consultant's request to other specialists/units, clearly stating the problem to be addressed. House Officers will attend and present patients at the weekly ward meeting. • Discharge documentation should be completed prior to the patient being discharged. Patients will receive a copy of the comprehensive Electronic Discharge Summary (EDS), a prescription, and follow up appointment if required. Where early GP follow up is anticipated or the case is complicated the House Officer should ensure the GP is updated by telephone. • The House Officer may, at the Registrar's request, be responsible for completion of death certificates of patients who had been under their care. • The House Officer is expected to attend the Division of Medicine's weekly clinical meeting. There is mandatory attendance at the monthly Mortality Review Meeting and the quarterly Orientation and Quality Assurance meetings (unless on urgent clinical duties). • The House Officer is expected to attend the weekly Respiratory Academic programme. There is mandatory attendance at the Respiratory Morbidity and Mortality meetings occurring every 2 months in place of the Academic Programme (unless on urgent clinical duties) • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ol style="list-style-type: none"> 1. "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." 2. "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so." • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or, if after hours, the Duty Manager directly as well as the Consultant to which the registrar is clinically responsible in the absent duty. • As an RMO working at CMDHB you will be provided with a Concerto login and CMDHB email account which will be used for all work related communication. It is your responsibility to ensure you check this regularly.

Section 2: Training and Education
