RUN PERIOD:	13 weeks

Section 1: House Officer's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties & Work Schedule	<ul style="list-style-type: none"> • Under the supervision of the Consultant and Registrar, facilitate the management of patients under the care of the Older Adults Service. • Undertake daily ward rounds either as the primary doctor or with the Registrar or Consultant according to the ward roster. Write progress notes on patients reflecting the assessment and management plan decided on during the ward round. • Keep patients informed of their progress. Answer as able any questions relating to their diagnosis and management and explain any procedures (or refer these questions to the Registrar or Consultant if needed). • With permission of the patient, liaise with relatives, and answer questions relevant to the patient's illness, or refer these to the Registrar or Consultant. • Admit, assess, and arrange investigations for acute and elective admissions to the ward. • Keep the Registrar and/or the Consultant informed of problems as they arise in the ward (or wherever else the House Officer may be caring for patients). • Review patients under their care, at the request of nursing staff. • Undertake rostered after-hours duties in the Older Adults and acute medical wards, North Shore Hospital. • Undertake such other duties as may be required from time to time by the Clinical Director, Older Adults Service.

	<ul style="list-style-type: none"> • Attend weekly multidisciplinary team meeting(s). Liaise as needed with other members of the multidisciplinary team to ensure a smooth and coordinated process of care. • Attend family conferences of patients under your care, as arranged at the multidisciplinary team meetings. • Attend to additional matters required for patient care such as completing death certificates and preparing discharge letters (see below in more detail). • Sight and accept all laboratory and radiology results for patients under your care on a regular basis. Discuss abnormal or concerning results with the Registrar or Consultant. • In the event of the pressure of other duties leading to difficulty completing assigned tasks, notify the Registrar, Consultant or Clinical Director. • Ask for advice or assistance from the Registrar or Consultant when required.
<p>Administration</p>	<ul style="list-style-type: none"> • Maintain a high standard of documentation in the files of patients. All clinical notes are to be signed, with a printed name and contact number legibly recorded. • Be responsible for certifying death and complete appropriate documentation. • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ol style="list-style-type: none"> 1. “The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the Consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed.” 2. “Council believes that obtaining informed consent is a skill best learned by the House Officer observing Consultants and experienced Registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so. • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or Duty Manager directly as well as the Consultant to which the House Officer is clinically responsible in the absent duty as soon as possible. • As an RMO working at WDHB you will be provided with a Clinical Portal login and a WDHB email account which will be used for all work-related communication. It is your responsibility to check this regularly.
