

RUN DESCRIPTION

POSITION:	Senior / SET Registrar: Hand Team
DEPARTMENT:	Auckland Regional Centre for Plastic Reconstructive & Hand Surgery, New Zealand National Burn Centre
PLACE OF WORK:	Middlemore Hospital
RESPONSIBLE TO:	Service Manager through their supervising consultant, Clinical Leader Orthopaedic Hand Team and Head of Department.
FUNCTIONAL RELATIONSHIPS:	Health care consumers. Hospital and community based health care workers.
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of the Department of Plastic, Reconstructive and Hand Surgery
RUN PERIOD:	6 months

Section 1: Registrar's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical duties:	<ul style="list-style-type: none"> The Registrar is responsible for day to day management of ward patients and for supervising the work of a House Officer, with whom they will organise the investigation and management of inpatients (acute and elective) under the care of the Department. The Registrar will supervise the work of a House Officer, with whom they will organise the investigation and management of inpatients under the care of the Department. The Registrar will be available to attend Consultant ward rounds and will have a current knowledge of the progress of inpatients under their care. The Registrar will attend rostered outpatient clinics promptly and will endeavour to see outpatients at their scheduled appointment times. Outpatients not previously seen in the Department, or who are to be discharged, will be discussed with a Consultant Surgeon. The Registrar must attend all rostered theatre sessions. . Clinical skills, judgement and knowledge are expected to improve during the attachment. You should receive beginning, mid and end run assessment from your team consultants, it is your responsibility to follow this up with them. Registrars are expected to do minor surgery in LAOP theatre and ED according to credentialing and list roster and operate on acute and elective patients within their competence to do so.
Handover:	<ul style="list-style-type: none"> RMO's who are post-acute need to ensure that they attend handover. Registrars may be required to do ward round at 0730 to ensure they get to their daily rostered duties, if this is the case you need to request to present your case first so that you can round or handover to someone senior who knows what questions to ask.

<i>Area</i>	<i>Responsibilities</i>
Acute admitting	<ul style="list-style-type: none"> When on acute call, the Registrar will answer calls by GP's about patients and arrange to assess them if necessary. If this task is delegated to a House Officer then the registrar will make themselves available to supervise the House Officer and review acute cases and their management and discuss with senior surgical staff as appropriate.
Administration	<ul style="list-style-type: none"> Legible notes will be written in patient charts on admission and whenever management changes are made. (May be delegated to a House Officer). The Registrar will arrange bookings for admission after discussion with the Consultant. The Registrar will participate in surgical audits and complete audit forms. The Registrar is responsible for collating final diagnosis and coding and ensuring that all investigative results sighted, acted on and signed-off.

Section 2: Training and Education

Education:	<ul style="list-style-type: none"> Through example and supervision the Registrar will actively contribute to the education of House Officers. The Registrar may occasionally be requested to teach other health care workers. The Registrar will attend all teaching sessions, if possible. There will be a minimum of 3-4 hours educational sessions per week for the Registrar. A formal one hour teaching session is held from 0700 - 0800 on Thursdays and alternate Fridays.
Research:	<ul style="list-style-type: none"> A research project may be undertaken during the attachment subject to approval by Clinical Leader, Hand Team and Head of Department.

Note: dates and times for the sessions above may change. There is a minimum of 2 hours per week medical learning, which includes the weekly tutorial, journal club and pathology session.

Section 3: Roster

Roster

There are 18 Plastic Surgery Registrars and 2 Plastic and Orthopaedic Hand Registrars. This includes:

- 8 Plastics SET Trainees and 1 Ortho-Hand SET Trainee
- 8 Plastics non-SET Registrars, 1 Ortho-Hand non-SET Registrar
- 1 night reliever and 1 leave reliever.

SET Trainees will on average be rostered 6-7 weekends per 6 months roster.

The ordinary hours of work are 0730-1600. Teaching sessions on Thursdays and Fridays commence at 0700.

The Senior Registrars will participate on an on call roster overnight. The on call component will be remunerated as per the STONZ RMO MECA.

RMO's are expected to cover Saturday Ward Rounds, this is shared amongst Set & Non Set registrars and organized amongst the Registrars. . There are a number of unrostered hours included in the run category to cover such occurrences.

Hours of Work

Ordinary Hours 0730 –1600 Monday – Friday (if on call day Thursday or Friday handover is at 0700)
Acute Call Long Day 0730 – 2230 Monday – Friday
Acute Call Long Day 0730 – 2200 Saturday and Sunday
Short Day 0730 – 1700 Saturday and Sunday

Section 4: Cover for leave:

Other Resident and Specialist Cover

Applications to take annual leave should be submitted as early as possible to facilitate co-ordination of leave cover arrangements.

Sick leave of short duration is covered within the department as is practical.

Education leave to attend conferences or for study and exam purposes is granted in accordance with the provisions of the collective employment contract. Applications for education leave must be submitted to the Clinical Head of Department well in advance, to facilitate cover arrangements.

Section 5: Performance appraisal

Performance will be assessed by a nominated Consultant Orthopaedic Hand Surgeon. Performance will be assessed using the criteria above and will be discussed at formal meetings at the beginning of the attachment and again at 3 months and 6 months. If deficiencies are identified during the attachment the Consultant Orthopaedic Hand Surgeon will bring these to the Registrar's attention, and discuss how they may be corrected.

Section 6: Hours and Salary Category

<i>Average Working Hours</i>		<i>Service Commitments</i>
Basic hours (Mon-Fri)	40	The Service, together with the RMO Support Unit will be responsible for the preparation of any Rosters.
Rostered additional hours (inc. nights, weekends & long days)	12.97	
All other unrostered hours	9.14	
Total hours per week	62.11	

Salary: The salary for this attachment will be as detailed at a Category B, however, will be remunerated as a Category A in recognition of the fact that Senior Registrars will be required to swap after hours shifts when on leave.
