RUN PERIOD:	6 months

Section 1: Registrar's Responsibilities

	Responsibilities
Acute Call Responsibility	<ul style="list-style-type: none"> • While on call the acute Paediatric Medical Registrar phone and Paediatric Resus pager are held. • The Medical Registrar on acute call is available to advise on children in CED. The decision to admit a child is made by the Medical Registrar on acute call. • On hand over of admissions from the emergency department, full and appropriate clinical notes and the ongoing management are the responsibilities of the medical registrar on call. • If a child is referred to the Medical registrar on acute call from CED and the Registrar feels that admission is not appropriate they will review the child in CED and suggest an alternative plan with the CED staff. • Review of medical admissions to PICU.

<p>Clinical Responsibility</p>	<ul style="list-style-type: none"> • Responsibilities include all patients under and referrals to both the Paediatric Oncology & Haematology services. Work for the Oncology / Haematology service is in conjunction with another full time Oncology/ Haematology registrar. • Daily ward rounds and reviewing the above patients. • Implement management and treatment for the above patients. • Arrange appropriate investigations and ensure follow up of results. • Legible notes are to be written in patients charts on a daily basis and when management changes are made. Entries must be dated, signed and have a legible printed name accompanying the signature. • In conjunction with the second Registrar and the House Surgeon ensure problem lists are • Formulated and maintained up to date in the front of all inpatient notes. • Weekend plans will be formulated and in place. • Perform required procedures as necessary, including lumbar punctures and bone marrow biopsy under general anesthetic. • Liaise with other staff members, departments and health professionals in the management of patients. • Communicate with patients and their families about their concerns and facilitate their understanding of the medical issues involved. • On discharge ensure appropriate follow up is in place, including written information where appropriate. A written discharge will be completed within a reasonable period of time and forwarded to the appropriate health professionals including the family doctor. • All the above duties will be in conjunction with junior house staff and the consultant responsible for that patient. Where appropriate the registrar will supervise junior staff and help them with problems as needed. The Registrar will discuss with the consultant as needed and over difficult diagnostic or management areas.
