1. "The practitioner who is providing treatment is responsible for obtaining informed consent befor for their patient. The Medical Council believes that the responsibility for obtaining consent always the consultant – as the one performing the procedure, they must ensure the necessary inform communicated and discussed."	s lies with	
 "Council believes that obtaining informed consent is a skill best learned by the house s observing consultants and experienced registrars in the clinical setting. Probationers should r informed consent where they do not feel competent to do so. 		

Section 2: Training and Education

Nature	Details	
Protected Time	 The following educational activities will be regarded as part of normal duties (unless attendance is required for other duties as per roster) Orientation at the beginning of the run Physicians Grand round each Thursday 12pm to 1pm Weekly unit teaching seminars Monday 12:30-1:30pm Teaching sessions on Wednesday 1pm to 5pm for FRACP examination (if appropriate) Advanced trainees – four hours per week as required for pursuing advanced education, including advanced training sessions, project work, and journal club. 	
	Timing of educational sessions is subject to change	

The Registrar is expected to contribute to the education of nursing, technical staff and medical staff when requested.

Section 3: Cover:

Other Resident and Specialist Cover

There is a consistent workload Monday to Friday (ordinary hours) for 11 Registrars and daily staffing numbers will be maintained at this level. Only where numbers fall below that level will cover or additional remuneration be provided.

All Basic Trainee Registrars may rotate through a period of relief for 6-9 weeks. During this time, they will cover RDOs, nights, sleep days and (at times) leave for the other reablement Registrars. During this period the Registrar will be paid at 2 categories above those in team positions.

The ordinary hours of work are 0800 – 1600 Monday to Friday. In addition the Registrar will also contribute to the after hours roster, providing cover for the following shifts:

- Weekday long days Monday to Friday in Mana Awhi 0800-2230
- Weekday long days Monday to Friday in medical admitting 0800-2230 (0800-1600 Mana Awhi 1600-2230 admitting) If there is an unplanned uncovered vacancy in the MAna Awhi long day shift this will be covered by the Mana Awhi registrar on a long day for medical admitting and the vacancy will shift to medicine.
- Weekend long days in reablement 0800-2230 (1 in 12 frequency)
- Medical services night roster 2 sets of weekend nights (Friday to Sunday 2200-0800) over 26 weeks

When on night duty the registrar will be responsible for duties both in the Medical Specialities and General Medicine, these duties will be shared between the Medical Registrars on duty and will involve admissions and ward duties. When on medical admitting long day duties the Registrar will support admissions for the Medicine department as a whole.

One Registrar will be allocated as the Community Registrar, they will be based at Greenlane Clinical Centre and Auckland City Hospital with the expectation that they will be required to work in the community. Please note the Registrar allocated to the Community position must hold a full driver's license.

Consultants are available by telephone and can attend the hospital within 30 minutes.

Section 4: Performance appraisal

Registrar	Service
The Registrar will:	The service will provide,
• At the outset of the run meet with their designated consultant to discuss goals and expectations for the run, review and assessment times, and one on one	• An initial meeting between the Consultant and Registrar to discuss goals and expectations for the run, review and assessment times, and one on one teaching time.
 After any assessment that identifies deficiencies, implement a corrective plan of action in consultation 	• An interim assessment report on the Registrar three (3) months into the run, after discussion between the Registrar and the Consultant responsible for them;
with their Consultant;	• The opportunity to discuss any deficiencies identified during the attachment. The Consultant responsible for the Registrar will bring these to the Registrar's attention, and discuss and implement a plan of action to correct them;
	• A final assessment report on the Registrar at the end of the run, a copy of which is to be sighted and signed by the Registrar.

Section 5: Hours and Salary Category

Average Working Hours		Service Commitments
Basic hours (Mon-Fri)	40.0	 The Service, together with RMO Support Unit will be responsible for the preparation of any Rosters.
RDO Hours	-1.33	
Rostered additional hours (inc. nights, weekends & long days)	10.14	
All other unrostered hours To be confirmed by a run review	TBC	
Total hours per week	48.81	

Salary: The salary for this attachment is detailed to be a Category D.

Total hours fall above the middle of the salary band therefore run will be remunerated as a D run category until the unrostered hours can be confirmed by a run review.

For the period the registrar is allocated to relief, the salary will be remunerated two categories above at a category B run.
