Section 1: Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties & Work Schedule	<ul style="list-style-type: none"> • Undertake ward rounds with allocated Consultant(s) and attend multi-disciplinary meetings with other health professionals involved with patient management and discharge planning. • Closely monitor medically unstable patients and ensure appropriate handover occurs to the on-call House Officer, Registrar, and Consultant. • Attend family meetings as arranged for patients under their care. • Communicate effectively with members of the multi-disciplinary team to ensure optimal patient outcomes and timely discharge. • Communicate regularly with the supervising Consultant to ensure the provision of safe and effective care. • Supervise the duties of the allocated House Officer(s) to ensure that management decisions made about patients are carried out according to best practice principles and guidelines. • Daily liaison with House Officer(s) and to be available for consultation if required.

<i>Area</i>	<i>Responsibilities</i>
	<ul style="list-style-type: none"> • Undertake a weekly outpatient clinic either at North Shore Hospital or Hibiscus Coast. • Undertake assessments on acute wards as assigned. • Review and/or admit patients from ED/ADU to the Older Adults service when requested. • Assist the Orthogeriatrician with pre- and post-operative assessments when requested. • Be available to receive general practice enquiries regarding admissions or management issues involving older people. • Monitor discharge letters produced by the House Officer(s) to ensure they are an accurate and timely record of care. • Ensure clinical notes are written in a problem orientated manner, when patients are assessed and/or management changes made. • Monitor acceptance of patient results by the House Officer(s) to ensure this occurs in a timely and safe manner. • Participate in the weekly educational programme of the Older Adults service and, when required to do so, take responsibility for a presentation. • Presentation to Grand Round if rostered.
Research	<ul style="list-style-type: none"> • Research opportunities are available in consultation with the Clinical Director. Participation in clinical audit is encouraged.

<p>Administration</p>	<ul style="list-style-type: none"> • Maintain a satisfactory standard of documentation in patients’ clinical record. • Be responsible for certifying death and complete appropriate documentation. • At the direction of the Clinical Director, assist with operational research in order to enhance the performance of the Service. • Dictate and finalise letters to General Practitioners following outpatient clinics in a timely fashion. • Obtain informed consent for procedures within the framework of the Medical Council guidelines, which state: <ol style="list-style-type: none"> 1. “The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the Consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed.” 2. “Council believes that obtaining informed consent is a skill best learned by the House Officer observing Consultants and experienced Registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so. • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or Duty Manager directly as well as the Consultant to which the Registrar is clinically responsible in the absent duty as soon as possible. • RMOs will be provided with a Clinical Portal login and email account, which will be used for all work-related communication. It is the expectation that registrars will check their emails regularly.
------------------------------	---
