

RUN DESCRIPTION

POSITION:	Neonates Registrar
DEPARTMENT:	Neonatal Paediatrics, Starship Child Health
PLACE OF WORK:	Auckland City Hospital
RESPONSIBLE TO:	Service Clinical Director and Manager, Newborn Services.
FUNCTIONAL RELATIONSHIPS:	Healthcare consumer, Hospital and community based healthcare workers
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of the Newborn Services at Starship Child Health.
RUN RECOGNITION:	This run is recognised as part of the requirement for: The Diploma of Obstetrics (Universities of Auckland and Otago) The Diploma of Paediatrics (University of Auckland) Basic Physician Training (RACP). Advanced training runs are individually approved for each trainee. The College has always approved the NICU Registrar runs at Starship Child Health for advanced training.
RUN PERIOD:	6 months

Section 1: Registrar's Responsibilities:

Area	Responsibilities
<p>General</p>	<p>As per the roster or as assigned by the Specialist on service, the Registrar will be assigned to either work on;</p> <ul style="list-style-type: none"> • NICU Level 3 or the Parent-Infant Nursery(PIN) (hereafter referred to as “Level 3”) • NICU Level 2 (hereafter referred to as “Level 2”), • Postnatal Wards • Attend deliveries (“1st call”) <p>The Registrar will be responsible under supervision of the Duty Specialist for the care of babies under paediatric care in their allocated areas.</p> <p>The Registrar will work in partnership with Nurse Specialists- Advanced Neonatal Practice (NS-ANP) or Nurse Practitioners (NPs) and will share responsibilities for care.</p> <p>NS-ANPs and NPs are directly responsible to the on duty Specialist.</p> <p>The Weekday Postnatal Ward (PW) or Weekend D shift Registrar will be responsible for patients on the postnatal wards, supervise and assist the Paediatric Senior House Officer (SHO) in investigations, performance of procedures and assessment and treatment of babies, on the post natal wards, in consultation with the Specialist.</p> <p>One Registrar will care for infants in PIN and postnatal wards, including Whitinga Ora Pepi. This registrar will be assigned this task for the entire week. If there is any uncertainty about responsibilities for PIN (because of leave or unexpected absence), the Level 2 Specialist in consultation with the level 3 Specialist will assign a Registrar to this area.</p> <p>The Level 3 Registrar will attend deliveries of babies anticipated to require full intensive care or admission to Level 3. They will attend to the medical care of infants in Level 3 unless assigned to the PNW duties.</p> <p>The Registrar will attend the daily Specialist ward round (0800-0830 hours), the Level 3 Registrar will attend the 1600 hours handover round.</p> <p>The Registrar will communicate with parents about their babies’ condition and treatment.</p> <p>The Level 2 Registrar and/or Postnatal Ward Registrar will receive referrals from postnatal wards and from outside the hospital and will assess these babies with the SHO.</p> <p>The Level 2 registrar and/or Postnatal Ward Registrar will attend deliveries as set out in the hospital guidelines.</p> <p>.</p> <p>The Registrar will care for babies on neonatal transports. The registrar will be accompanied by a Neonatal Transport Nurse on these transports</p> <p>A nominated Specialist will be available at all times during ordinary working hours and on call at other times to advise and assist in the assessment and care of babies.</p>
<p>Acute Call</p>	<p>It is expected that workload will be shared amongst Registrars and NS-ANPs or Nurse Practitioners (NPS) particularly if one area of the service is busy. On Level 3 the Registrar may be required to be on acute call during normal working hours, to ensure the Registrar gains sufficient experience in acute resuscitation and stabilisation.</p> <p>The Registrar on night duty will be responsible for the following areas:</p> <ul style="list-style-type: none"> • When rostered on nights on Level 3, the registrar will be responsible for infants in the Level 3 Unit. • When rostered on nights on Level 2, the registrar (or NS-ANP/NP) will be

<i>Area</i>	<i>Responsibilities</i>
	<p>responsible for attending deliveries and reviewing babies on the postnatal wards. Admissions to the Level 2 unit will be completed by the Level 2 Registrar unless they are required to attend urgent deliveries or ward calls.</p> <ul style="list-style-type: none"> • If the workload is such that the Registrar and NS-ANP or NP on night duty feel that patient safety is compromised the on call Specialist will be notified.
Administration	<ul style="list-style-type: none"> • The Registrar will ensure that all babies under their care who are being transferred within NICU or discharged from NICU have a discharge summary, and that the neonatal database is kept up to date for all the babies under their care. <p>The night Registrar is required to handover to oncoming staff at the beginning of each morning ward round (0800-0830h).</p> <p>The day Registrar will handover to the night Registrar, NS-ANP or NP (2000-2030hours).</p>
