<i>Area</i>	<i>Responsibilities</i>
Clinical Duties	<ul style="list-style-type: none"> • The Registrar will supervise the work of a House Officer, with whom they will organise the investigation and management of inpatients under the care of the department, requesting assistance from the Consultant on call when required. The Registrar is expected to ensure their patients are safely and efficiently handed over and to liaise with the other health professionals in the unit to ensure the required level of coordinated care to the patients is achieved and maintained. • The Registrar will be available to attend Consultant ward rounds and will have a current knowledge of the progress of inpatients under their care. • During working hours the registrar will answer calls by GPs about patients and arrange to assess them if necessary. • This may involve urgent assessment in the emergency department or ward if clinic time is not available. • The Registrar will maintain a high standard of communication with patients, patients' families and staff. The Registrar will confer at all times with other clinical team members regarding discharge planning and progress of patients. • The Registrar will attend rostered outpatient clinics promptly and will endeavour to see outpatients at their scheduled appointment times. Outpatients not previously seen in the Department, or who are to be discharged, will be discussed with a Consultant Rheumatologist. • The Registrar will perform a preliminary clinical assessment of inpatients referred to the Rheumatology Service, within 24 hours, and discuss these promptly with a Rheumatology Consultant.
	<ul style="list-style-type: none"> • The Registrar will confer at all times with other clinical team members regarding discharge planning and progress of patients. • Clinical skills, judgement and knowledge are expected to improve during the attachment. • CMDHB Clinical Board policy should be followed at all times.
Administration	<ul style="list-style-type: none"> • The Registrar will review the Electronic Discharge Summaries (EDS) prepared by the team House Officer. The Registrar will send an amended EDS or dictate an additional letter to the GP after patient's discharge from hospital when complexity of diagnosis and management, or results of investigations available after discharge, makes this necessary. • The Registrar is responsible for the accuracy of the principal and secondary diagnoses and treatment/management and procedures performed recorded on the EDS. • Legible notes will be written in patient charts on assessment/admission, and whenever management changes are made. All documentation should comply with CMDHB Clinical Board documentation policy. • All instructions (including drugs, IV fluids and instructions for nursing) will be accurately and legibly recorded and legibly signed. • The results of all investigations will be sighted and signed electronically. The responsibility for results relating to inpatients may be shared with the team House Officer. The Registrar will refer results to the Consultant where there is uncertainty about the significance of the result. • The Registrar is responsible for the completion of death certificates for patients who have been under their care, although this may be delegated to a House Officer. • The Registrar will be expected to participate in audit programmes within Internal Medicine and, in particular, will be responsible for completion of a mortality audit form for each patient dying under his/her care and presenting this to the

<i>Area</i>	<i>Responsibilities</i>
	<p>Consultant.</p> <ul style="list-style-type: none"> • A letter will be dictated to the patient's GP after each outpatient visit. • The Registrar is expected to attend the weekly Medical Division Clinical Meeting, the monthly Mortality Review Meeting and the quarterly Orientation and Quality Assurance meetings when clinical duties allow. • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ol style="list-style-type: none"> 1) "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." 2) "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so." • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or, if after hours the Duty Manager directly as well as the Consultant to which the registrar is clinically responsible in the absent duty • As an RMO working at CMDHB you will be provided with a Concerto login and CMDHB email account which will be used for all work related communication.
