RESPONSIBLE TO:	Clinical Director and Manager, through a nominated Consultant/Physician.
FUNCTIONAL RELATIONSHIPS:	Healthcare consumer, Hospital and community based healthcare workers
PRIMARY OBJECTIVE:	To facilitate the management of patients under the care of the Newborn Service.
RUN RECOGNITION:	Medical Council &/or College recognition
RUN PERIOD:	3 months

Section 1: House Officer's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
General	<ul style="list-style-type: none"> Facilitate the management of inpatients commensurate with and appropriate to the house officer's skill level Manage the assessment and admission of infants under paediatrics care on the postnatal wards and neonatal intensive care unit. To undertake clinical responsibilities as directed by the neonatal registrar, fellow or consultant, also to organise relevant investigation and ensure that the results of the investigations are followed up and acted upon as necessary. The postnatal ward round is done daily by the House Officer. There is a SMO assigned to postnatal wards for the week. The fellow on level 2 does a ward round with the SHO on Tuesdays. The level 2 registrar or fellow is available to see babies at the request of the SHO. The SMO assigned to the postnatal ward will generally attend the morning handover and will be available to review on babies at the request of the SHO. Be responsible for the daily review of infants under paediatrics care in the post natal wards (except on unrostered weekends). Maintain a high standard of communication with the parents and family of infants under paediatrics care and with staff. Communicate the status of the inpatients to senior members of the team (neonatal registrar, fellow or the postnatal ward consultant). Prepare required handover paperwork for weekends, including likely discharges over weekends or after hours

<i>Area</i>	<i>Responsibilities</i>
	<ul style="list-style-type: none"> Attend handover (morning and afternoon), team and departmental meetings as required. Assess patients referred to the neonatal team by other members of the team including obstetrics staff, midwives and staff nurses on the postnatal ward. Attend deliveries at the request of the obstetrics services if carrying the level 1 neonatal pager. This includes instrumental and operative deliveries and all term deliveries where it is anticipated the newborn will need neonatal care following birth. Organise appropriate investigations and follow-up for infants with antenatally diagnosed conditions, for example, antenatal renal pelvis dilatation.
Acute admitting	<ul style="list-style-type: none"> Infants referred to the neonatal team and requiring admission to the post natal ward. These are likely to be infants referred from the community, including Birth Care with jaundice requiring treatment or management of ongoing weight loss.
On-Duty	<ul style="list-style-type: none"> When rostered on duty, be at the recognised workplace to carry out assigned duties
Administration	<ul style="list-style-type: none"> Be responsible for record keeping, including patient notes and discharge letters and other documentation, written and maintained by the house officer. Ensure that notes are written legibly and signed, with a printed name and phone number. Provide a clinical summary and prescription, as required upon discharge for all patients under the care of the neonatal team, and being discharged from the postnatal wards.
