Section 3: Cover

Other Resident and Specialist Cover

There are 25 Registrars allocated to General Medicine. At any one time 20 of these Registrars will be allocated duties as part of the General Medicine Roster, and 5 will be allocated to relief duties.

There is a consistent workload Monday to Friday (ordinary hours) for 3 Registrars per General Medicine teams and daily staffing numbers will be maintained at this level. Only where numbers fall below that level will cover or additional remuneration be provided. Remuneration will be as follows:

- 15 FTE will be remunerated as per the salary category in section 6 of the Run Description
- 5 FTE will be remunerated as a relief run category which will be shared amongst the 20 Registrars contributing to the roster.

When allocated to the wards the Registrar will complete a daily ward round, attend a clinic on their rostered weeks (with the exception of weekends, unless otherwise rostered) and support other ward work as required.

When allocated to level 2, 4 teams will complete a post acute round on the short stay patients and the admitting team of the day will assess the acute patients remaining in ED, APU or on APU overflow ward

All patients otherwise admitted to the medical wards or the outlying non-medical wards will become the responsibility of the ward teams as assigned at handover.

Overnight patients will be allocated to teams prior to or at morning handover

Section 4: Roster

All General Medicine Registrars will contribute to the after-hours roster.

At night there are three Registrars rostered on a night duty each day from 2200-0800. They will be responsible for duties both in Medical Specialities and General Medicine, these duties will be shared between the Medical Registrars on duty and will involve admissions and ward duties.

There are four Registrars rostered to long days Monday to Friday and are required to be on site for the duration of their duty. In addition to the General Medicine weekday long days there will also be a Reablement Registrar rostered to an admitting shift on Mondays and Fridays. This is a supernumerary shift therefore cross cover does not apply on the days where this shift is not filled. Five Registrars are rostered to each weekend, this includes 2x Registrars on long days and 3 Registrars on short days

- Normal Day Monday to Friday 0800-1600 hrs
- Long Day Monday to Friday 0800-2200 hrs
- Night Duty Sunday to Thursday 2200-0600 hrs
- Weekend Long Day Saturday and Sunday 0800-2200 hrs
- Weekend short day Saturday and Sunday 0800-1600 hrs

Registrars will be allocated to a period of relief for up to a maximum of 9 weeks on a rotating basis during each 6 month rotation. When rostered to relief the Registrar will provide cover for the duties of a Registrar on leave or nights across General Medicine or the Medical Subspecialties.

Section 5: Performance appraisal

<i>Registrar</i>	<i>Service</i>
<p><i>The Registrar will:</i></p> <p>at the outset of the run meet with their designated consultant to discuss goals and expectations for the run, review and assessment times, and one on one teaching time</p> <p>after any assessment that identifies deficiencies, implement a corrective plan of action in consultation with their Consultant;</p>	<p><i>The service will provide,</i></p> <p>an initial meeting between the Consultant and Registrar to discuss goals and expectations for the run, review and assessment times, and one on one teaching time.</p> <p>an interim assessment report on the Registrar two or three months into the run, after discussion between the Registrar and the Consultant responsible for them;</p> <p>the opportunity to discuss any deficiencies identified during the attachment. The Consultant responsible for the Registrar will bring these to the Registrar's attention, and discuss and implement a plan of action to correct them;</p> <p>a final assessment report on the Registrar at the end of the run, a copy of which is to be sighted and signed by the Registrar.</p>
