## Section 1: Registrar's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
<b>Clinical Duties</b>	<ul style="list-style-type: none"> <li>The Registrar will supervise the work of a House Officer, under the overall supervision of the team consultant with whom they will organise the investigation and management of inpatients under the care of the department, requesting assistance from the Consultant on call when required. The Registrar is expected to ensure their patients are safely and efficiently handed over and to liaise with the other health professionals in the unit to ensure the required level of coordinated care to the patients is achieved and maintained.</li> <li>The Registrar will ensure that all inpatients are seen daily during the week and on Saturday and Sunday mornings when the team is on weekend call. This may be delegated at appropriate times to the House Officer.</li> <li>Post-acute Saturday and Sunday ward rounds when rostered on duty will be conducted in conjunction with the consultant (ie after Friday and Saturday acute take duties).</li> <li>The Registrar will be available to attend Consultant ward rounds when rostered on duty and will have a current knowledge of the progress of inpatients under their care.</li> </ul>

CMDHB General Medicine Registrar Run Description - Effective 12 December 2011

**Disclaimer:** Please note that this run description is current at the time of publication, but is currently under review and may be subject to change. It is your responsibility to ensure that you have the most up to date version if you will be relying on the information enclosed. Please contact RMO Support for further information

Area	Responsibilities
	<ul style="list-style-type: none"> <li>• Acute admitting duties are shared by five teams on all days of the week (including weekends). Weekend duty includes post-acute rounds, review of patients under care of the other team/s on the home ward, and discharge rounds.</li> <li>• The Registrar will maintain a high standard of communication with patients, patients' families and staff. The Registrar will confer with other clinical team members regarding discharge planning and progress of patients.</li> <li>• The Registrar will attend rostered outpatient clinics and will endeavour to see outpatients at their scheduled appointment time. Outpatients not previously seen in the Department, or who are to be discharged, will be discussed with a Consultant Physician when possible.</li> <li>• Clinical skills, judgement and knowledge are expected to improve during the attachment.</li> <li>• CMDHB Clinical Board policies are to be followed at all times.</li> </ul>
<b>Administration</b>	<ul style="list-style-type: none"> <li>• The Registrar will review the Electronic Discharge Summaries (EDS) prepared by the team House Officer. The Registrar will send an amended EDS or dictate an additional letter to the GP after patient's discharge from hospital when complexity of diagnosis and management, or results of investigations available after discharge, makes this necessary.</li> <li>• The Registrar is responsible for the accuracy of the principal and secondary diagnoses and treatment/management and procedures performed recorded on the EDS.</li> <li>• Legible notes will be written in patient charts on assessment / admission, and whenever management changes are made.</li> <li>• All instructions (including drugs, IV fluids and instructions for nursing) will be accurately and legibly recorded and legibly signed.</li> <li>• The Registrar is responsible for the completion of death certificates for patients who have been under their care, although this may be delegated to a House Officer.</li> <li>• The Registrar will be expected to participate in audit programmes within Internal Medicine and, in particular, will be responsible for completion of a mortality audit form for each patient dying under his/her care and presenting this to the Consultant.</li> <li>• A letter will be dictated to the patient's GP after each outpatient visit.</li> <li>• The results of all investigations will be sighted and signed electronically. The responsibility for results relating to inpatients may be shared with the team House Officer. The Registrar will refer results to the Consultant where there is uncertainty about the significance of the result.</li> <li>• The Registrar will attend the weekly Medical Division Clinical Meeting. There is mandatory attendance at the monthly Mortality Review Meeting and the quarterly Orientation and Quality Assurance meetings (unless on urgent clinical duties).</li> <li>• Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ul style="list-style-type: none"> <li>1) "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed."</li> <li>2) "Council believes that obtaining informed consent is a skill best learned by the</li> </ul> </li> </ul>
