	<p>responsible in the absent duty</p> <ul style="list-style-type: none"> As an RMO working at NZBS you will provided with a Progesa login and NZBS email account which will be used for all work related communication. It is your responsibility to ensure you check this regularly

Section 2: Training and Education

<u>Training and Education</u>
<ul style="list-style-type: none"> NZBS releases the registrar to enable participation in the routine haematology training programme. This comprises a minimum of 2 hours per week medical learning, which includes the weekly tutorial, journal club and pathology session. NZBS will arrange a teaching programme and appropriate training before the registrar can participate in their National on-call roster. There is a teleconference hand over meeting on Monday afternoons at 1430 to discuss interesting cases/ongoing issues that have occurred during the preceding oncall week. NZBS provides a comprehensive laboratory and tutorial based training programme in transfusion medicine for the registrar.

Section 3: Roster

<u>Roster</u>	
<p>Hours of Work</p> <p>Ordinary Hours On-call</p>	<p>Monday to Friday</p> <p>The registrar will participate in the NZBS national on-call roster. There is no on call for the first two weeks if the Registrar has not done Transfusion Medicine before. On-call rotating Mon/Wed (week 1), Tues/Thurs (week 2), Fri/Sat/Sun (week 3) averaging 1:3 after this time. On-call commences at 1600 to 0800 hours.. The call is 24 hours at the weekend and during the week as you need to be available to centres without TMS and to provide GP advice. During their Transfusion Medicine rotation, the Registrar will not participate in the Clinical Haematology on-call roster.</p>

Section 4: Cover

<u>Other Resident and Specialist Cover</u>
<p>. There are three Transfusion Medicine specialists and one Medical Officer Special Scale employed within the Auckland site. There are no other Registrars or house surgeons within NZBS Auckland</p>
