Section 1: Registrar's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
General	<p>Clinical Duties</p> <ul style="list-style-type: none"> The Registrar is responsible to his/her supervising Consultant for the care and management of clients in their service area. The Registrar will have three areas of practice; responsibility for those inpatients under the care of the MHSOP South Team, providing Consultation-Liaison assessments and follow up of inpatients under the care of AT&R (Wards 4, 5, 23, and 24), and conducting Community assessments and follow-up of Community clients in the area served by the MHSOP- South Team. Should there only be one Registrar attached to MHSOP, then the Registrar's primary responsibility will be the inpatients in Ward 35 (covering both MHSOP Teams) and Consultation-Liaison assessments. However, there will be support to enable the Registrar to obtain community assessment experience. The Registrar will admit, document and manage the psychiatric and medical needs of clients on Ward 35 under the care of the Team. This will be under the supervision of the named consultant and GP Consultant and with the assistance of a House Officer. The Registrar will be responsible for the ongoing assessments and reviews of inpatients and checking of investigation results. The Registrar will ensure that the Consultant is informed of all significant events in the course of the care of clients under his/her

	<p>care. (e.g. absence from treatment or unexplained absence from usual domicile, change in mental state, unusual laboratory findings, non-concordance with treatment, etc) as well as any unusual peaks in workload and will update the Consultant on any significant changes in client management. Registrars will also ensure that arrangements are made for medical care of clients when appropriate.</p> <ul style="list-style-type: none"> • The Registrar will attend ward rounds, MDT meetings, Family meetings and the MHSOP Team morning meetings. • The Registrar will be responsible for the day to day management of clients as follows: <ul style="list-style-type: none"> ➤ the assessment of patients referred, including relevant assessment and ongoing management of physical health issues ➤ psychiatric and medical admissions of clients referred to Ward 35 ➤ liaison with the AT&R clinical team about Consultation-Liaison assessments ➤ collection of collateral history about clients from families or other providers, ➤ the development and implementation of treatment plans, in conjunction with the client and caregivers, community mental health centre team members and the supervising Psychiatrist ➤ ongoing monitoring and review of treatment plans in accordance with changes in clinical condition of clients ➤ maintenance of adequate records for the documentation of assessment, treatment plans and ongoing review of clients, including rationale for such plans and reviews ➤ participation in a multidisciplinary approach to treatment, • The Registrar will hand over any expected admissions or urgent medical issues to the after hours Registrar. • The Registrar will follow CMDHB and MHSOP policies and protocols at all times. <p>After-hours responsibilities</p> <ul style="list-style-type: none"> • Registrars participate in coverage of the mental health service outside of normal working hours, under the supervision of the on-call consultant. When rostered on after hours duty the Registrars are required to be on site at Middlemore Hospital and will take calls for the whole of the service. This may include answering calls from Community Mental Health Nurses and General Practitioners and arranging to have clients assessed, if necessary. If Registrar assessment is required, this can be undertaken in a community setting or in Tiaho Mai. • Registrars provide assessment and review of clients presenting to and currently within the services. Functions in relation to the Mental Health Act will be discussed with the on call Psychiatrist. The on call Psychiatrist may involve the Director of Area Mental Health Services if necessary. • It is expected that during after hours duty registrars in one shift work collegially with a spirit of co-operation and flexibility in the allocation of

Area	Responsibilities
	<p>clinical duties and share the workload when it is uneven or busy. This is to provide optimal registrar support and responsiveness to clients.</p> <ul style="list-style-type: none"> • A call should routinely be made during the course of the duty (evenings and weekends) from the Registrar to inform the on-call psychiatrist of events which occur during the period of after hours duty. Issues to be discussed would include, but may not be limited to: <ul style="list-style-type: none"> ➤ new assessments made in the emergency department, where the person is not admitted ➤ admissions ➤ current inpatients who wish to discharge themselves against advice ➤ current inpatients who are absent without leave, and who are categorised as “A” category AWOL (or for whom no categorisation has already been determined) ➤ assessments made of people referred from within the general hospital wards ➤ other clinical problems requiring consultant support, as determined by the level of experience of the registrar • All calls in relation to children or adolescents will be discussed with the on-call Child Psychiatrist for the region • At all changes of duty adequate handover will be given to the incoming Registrar in relation to matters arising on call. A ward round will be conducted in conjunction with the on call Psychiatrist at Tiaho Mai on weekends/public holidays.
Administration	<ul style="list-style-type: none"> • Maintenance of comprehensive documentation in clinical files, including: <ul style="list-style-type: none"> ➤ letters to other health professionals or agencies regarding assessments and treatment processes ➤ timely discharge summary letters ➤ medication orders, including prescriptions, medication updates and reasons for changes • Completion of any special documentation or database entry of health information as required by the Unit Consultant or Manager • Participation in weekly team case conferences • Follow up laboratory and other investigations as necessary, using electronic systems and other records as appropriate • Check and attend to email correspondence on CMDHB email account in a timely manner • Obtain informed consent for procedures within the framework of the Medical Council guidelines (see footnote 1) • Contact the Team Manager/Service Manager to report any unplanned absences. • In consultation with the Clinical Director, assist with operational research in order to enhance the performance of the Service.

Footnote 1

The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed. Council believes that obtaining informed consent is a skill best learned by [the house surgeon] observing consultants [and experienced registrars] in the clinical setting. RMOs [Probationers] should not take informed consent where they do not feel competent to do so.
