RESPONSIBLE TO:	Service Manager and Clinical Director through their supervising consultant(s) and the Clinical Head.
FUNCTIONAL RELATIONSHIPS:	Health care consumers Hospital and community based health care workers
PRIMARY OBJECTIVE:	To facilitate the safe and effective management of patients under the care of the Medical Services.
RUN RECOGNITION:	This position is recognised by the RACP as a training position for specialist qualification.
RUN PERIOD:	6 months

Section 1: Registrar's Responsibilities

<i>Area</i>	<i>Responsibilities</i>
Clinical Duties	<ul style="list-style-type: none"> The Registrars will review inpatient Infectious Diseases referrals when directed. Patients under the care of surgical services and Intensive Care will be seen by the Surgical ID registrar and patients under the care of medical services will be seen by the Medical ID registrar. The Surgical and Medical ID registrars will swap roles at the halfway point in the 6 month attachment to ensure a breadth of training and experience is gained during their attachment. The Registrars will undertake investigation or treatment of patients in the department where appropriate and request assistance from the Consultant on call when required. The Medical ID Registrar is responsible for the day to day medical care of Infectious Diseases inpatients and will undertake a daily round of all these patients. The Registrars are expected to ensure their patients are safely and efficiently handed over and to liaise with the other health professionals in the unit to ensure the required level of coordinated care to the patients is achieved and maintained. The Registrars will maintain a high standard of communication with patients, patients' families and staff. The Registrar will confer at all times with other clinical team members regarding discharge planning and progress of patients. The Registrars will attend rostered outpatient clinics, one session per week and endeavour to see outpatients at their scheduled appointment times. Outpatients

Area	Responsibilities
	<ul style="list-style-type: none"> • not previously seen in the Department, or who are to be discharged, will be discussed with a Consultant Physician. In addition to the outpatient clinics, the Registrar may also be required to attend a Rheumatic Fever Clinic (GENMED64M3R) that runs on the 4th Thursday of every month at Module 3, MSC. • The Registrars will attend and actively participate in other clinical meetings including the OPIVA service weekly review meeting and Infectious Diseases Xray Conference and will provide patient lists to meetings as required • Clinical skills, judgement and knowledge are expected to improve during the attachment. • CMDHB Clinical Board policies are to be followed at all times.
Administration	<ul style="list-style-type: none"> • Where possible, discharge documentation should be completed by the Registrar prior to the patient being discharged. Patients will receive a comprehensive Electronic Discharge Summary (EDS), a prescription, and follow up appointment if required. • The Registrar is responsible for the accuracy of the principal and secondary diagnoses and treatment/management and procedures performed recorded on the EDS. • Legible notes will be written in patient charts on assessment / admission, and whenever management changes are made. The opinion of the Consultant will be recorded. All documentation should comply with CMDHB Clinical Board documentation policy. • All instructions (including drugs, IV fluids and instructions for nursing) will be accurately and legibly recorded and legibly signed. • A letter will be dictated to the patient's GP after each outpatient visit and signed off electronically within 7 days of being typed. • The results of all investigations will be sighted and signed electronically. The Registrar will refer results to the Consultant where there is uncertainty about the significance of the result • The Registrar is responsible for the completion of death certificates for patients who have been under their care. • The Registrar will be expected to participate in audit programmes within Internal Medicine and, in particular, will be responsible for completion of a mortality audit form for each patient dying under his/her care and presenting this to the Consultant. • The Registrar is expected to attend the weekly Medical Division Clinical Meeting, the monthly Mortality Review Meeting and the quarterly Orientation and Quality Assurance meetings when clinical duties allow. • Obtain informed consent for procedures within the framework of the Medical Council guidelines which state: <ul style="list-style-type: none"> 1) "The practitioner who is providing treatment is responsible for obtaining informed consent beforehand for their patient. The Medical Council believes that the responsibility for obtaining consent always lies with the consultant – as the one performing the procedure, they must ensure the necessary information is communicated and discussed." 2) "Council believes that obtaining informed consent is a skill best learned by the house surgeon observing consultants and experienced registrars in the clinical setting. Probationers should not take informed consent where they do not feel competent to do so." • If absent due to unexpected circumstances (e.g. health, other), contact the RMO Support Unit or, if after hours the Duty Manager directly as well as the Consultant to which the registrar is clinically responsible in the absent duty

Area	Responsibilities
	<ul style="list-style-type: none"> As an RMO working at CMDHB you will be provided with a Concerto login and CMDHB email account which will be used for all work related communication. It is your responsibility to ensure you check this regularly
